

Agricultural Marketing Service, USDA

§ 931.60

development projects established pursuant to § 931.45) as the committee, with the approval of the Secretary, may prescribe.

(c) The committee shall, with the approval of the Secretary prescribe such rules, regulations, and safeguards as it may deem necessary to assure compliance with this section. Such rules, regulations, and safeguards may include the requirements that handlers shall file applications and receive approval from the committee for authorization to handle pears pursuant to this section. It may be required that such applications be accompanied by a certification by the intended purchaser or receiver that the pears will not be used for any purpose not authorized by this section.

§ 931.55 Inspection and certification.

Whenever the handling of any variety of pears is regulated pursuant to § 931.52 or § 931.53, each handler who handles pears shall, prior thereto, cause such pears to be inspected by the Federal or Federal-State Inspection Service and certified by it as meeting the applicable requirements of such regulation: *Provided*, That inspection and certification shall be required for pears which previously have been so inspected and certified only if such pears have been regarded, resorted, repackaged, or in any other way further prepared for market. Promptly after inspection and certification, each such handler shall submit or cause to be submitted to the committee a copy of the certificate of inspection issued with respect to such pears. The committee may, with the approval of the Secretary, prescribe rules and regulations modifying the inspection requirements of this section as to time and place such inspection shall be performed whenever it is determined it would not be practical to perform the required inspection at a particular location: *Provided*, That all such shipments shall comply with all regulations in effect.

§ 931.56 Exemptions.

The committee shall issue certificates of exemption to any producer who applies for such exemption and

furnishes adequate evidence to the committee:

(a) That by reason of a regulation he will be prevented from handling or having handled as large a proportion of his production as the average proportion of production handled by or for all producers in said applicant's production district; and

(b) That the grade, size, or quality of the applicant's pears have been adversely affected by acts beyond the applicant's reasonable expectation or control. Each certificate shall permit the producer to handle or to have handled the amount of pears specified thereon. Such certificates shall be transferred with such pears at time of shipment. The committee shall be permitted at any time to make a thorough investigation of any producer's claim for exemptions and shall determine what conditions constitute acts beyond the grower's reasonable expectation or control.

REPORTS

§ 931.60 Reports.

(a) Upon request of the committee, made with the approval of the Secretary, each handler shall furnish to the committee, in such manner and at such time as it may prescribe, reports of pears received and disposed of and such other information as may be necessary for the committee to perform its duties under this part.

(b) All such reports shall be held under appropriate protective classification and custody by the committee, or duly appointed employees thereof, so that the information contained therein which may adversely affect the competitive position of any handler in relation to other handlers will not be disclosed. Compilations of general reports from data submitted by handlers are authorized subject to the prohibition of disclosure of individual handler's identities or operations.

(c) Each handler shall maintain for at least two succeeding years such records of the pears received and of pears disposed of, by such handler as may be necessary to verify reports pursuant to this section.
